Information pursuant to the personal data protection code

(Art. 13 of the legislative decree 30 June 2003, n. 196 and subsequent amendments)

The University of Florence will process personal data also with the aid of IT tools, exclusively for the purposes of the procedure in question and to a relevant extent, not excessive and strictly necessary for the pursuit of its institutional functions.

Communication and dissemination of personal data

Pursuant to Article 11 of the Implementing Regulation of the personal data protection code held by the University of Florence and without prejudice to the right to object for reasons of legitimacy pursuant to art. 7 of Legislative Decree 30/06/2003, n.196, authorizes the communication and dissemination of my personal data in the possession of the University to public or private entities that request it in order to facilitate orientation, training and the professional and work placement, even abroad, of young students.
